

with World Peace Directory

Every year we publish the world-renowned Housmans Peace Diary - this is the 61st edition. It includes a World Peace Directory listing 1500 national and international peace, environment and human rights organisations from around the world. This year's special feature looks at the 100th anniversary of the First World War... but from a rather different perspective than that of the official commemorations.

The Housmans Peace Diary 2014

The Housmans Peace Diary is a non-profit service to movements around the world working for peace, social justice and the environment.

It's in pocket format, with a week to a view, and gives notable dates and anniversaries as well as a weekly quotation. It includes calendars, a forward planner for 2015, and space for notes.

The retail price of the Housmans Peace Diary is unchanged for the 2014 edition at £8.95. The post-inclusive charges for Diaries sent to you direct from Housmans Bookshop are shown below. You can pay by credit card using the Paypal buttons, or you can send a cheque for the amount shown (in UK Pounds only) to Housmans.
