### STEERING COMMITTEE ELECTIONS

The yearly season for Steering Committee renewal has arrived. We wish to invite members to express interest or nominate other members for service on the Steering Committee. We invite interested members to come forward now. Please note that nominees and candidates will be asked to forward why they would like to serve on the committee, areas of interest, any special skills and how many hours a week they have available to share with the membership. Please keep in mind that a term is a three year commitment. Help be a part in PT's future!

We are indebted to our current Steering Committee members: Robyn Bernstein, Barbara Fyfe, and Gloria Williams. Please contact the office or any of these members to learn more about the responsibilities entailed in the post.
